

# 18th European Conference on Object-Oriented Programming

University of Oslo, 14–18 June 2004

<http://www.ifi.uio.no/ecoop2004/>

## Invited speakers

**Matthias Felleisen**  
*Northeastern University*

**Thomas A. Henzinger**  
*University of California, Berkeley  
and EPFL*

Banquet speaker  
**Douglas C. Engelbart**  
*Bootstrap Institute*

## Program Sessions

Programming Concepts  
Program Analysis  
Software Engineering  
Aspects  
Middleware  
Verification  
Systems

## Tutorial Tracks

Developing Secure and Critical systems  
UML and Model Driven Architecture  
Web Services and BPEL  
Microsoft .Net  
Languages and Execution Environments Comparison  
Java  
Eclipse  
Design and Software Development  
Generative Programming and UML 2.0 Testing  
Middleware and Distribution  
Project Management

## Workshops, Posters, Practitioners' reports

**Panel** Object-Oriented Programming and XML

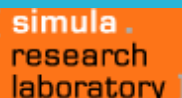

**Exhibition** in memory of

Ole-Johan Dahl, Edsger W. Dijkstra, and Kristen Nygaard

## Evening arrangements

*Monday*      **Get-together Reception, Exhibition opening**  
*Tuesday*     **Eclipse Reception, Poster Session**  
*Wednesday* **Reception at the Town Hall of Oslo**  
**Boat trip on the Oslo Fjord**  
*Thursday*    **Banquet at Gamle Logen**
